The Bottom Line

We use your contact information primarily for our print and email communications purposes. We will never sell your information to a third party, and we will never give your information to a third party for permanent use without your permission. At our discretion, we occasionally share our mailing list with partners for one-time use if they have resources or services we deem useful to our members or beneficial to the nonprofit sector. Your privacy is a priority.

Email Communications

We send a monthly eNewsletter with information we hope is relevant and of value to our members and the nonprofit sector. This includes information, tips, and resources; training opportunities; and funding, partner, and other community announcements. Depending on your preferences, we send frequent emails that announce our trainings. Occasionally we send announcements and alerts to segmented portions of our mailing lists. If you've provided us with your postal address, you'll receive our annual professional network schedule and possibly other very occasional mail. As a benefit of membership,

Nonprofit and Affiliate members automatically receive our monthly eNews and quarterly Training Digest. You may subscribe, unsubscribe, or manage your preferences at any time.

Social Media & Comments

The Nonprofit Association of Oregon uses social networks like Facebook and LinkedIn to engage our constituents in dialogue. On these networks, we abide by the terms and conditions of that website/service, and reserve the right to use those networks for marketing purposes. Comments made on our Facebook account are reviewed and published at our discretion, and through the use of these functions, you accept that the Nonprofit Association of Oregon reserves the right to edit, moderate, and re-use comments for in-house promotional materials. Promotions and advertising are not permitted in this medium, nor is derogatory or hateful speech.

Nonprofit Consulting & Services Directory

As a benefit of Affiliate Membership and in service to the nonprofit community, NAO maintains a directory of nonprofit service providers. The directory listing includes individual member and/or business name, mailing address, phone number, and email address (if provided). If you do not want to be included in the directory, please email info@nonprofitoregon.org and ask to be removed.
